

Candogram Online Job Search Workshops

Thursday, August 10, 2017, 1PM – 2PM

UConn Stamford Campus

One University Place, Stamford

CITI Lab: 2.56

Candogram is a highly targeted job match platform built on the skill requirements listed in job postings. Job seekers match themselves to skill requirements for job search, job applications and feedback.

Forget about the key word search! This platform helps job seekers generate employment leads based on personal skill match profile and skill gap profile created by you for job searching.

Job seekers have the ability to search by employer, title, geographic location and your current skill level.

Registration is required! Space is limited!

This is a complimentary workshop is sponsored by UConn CITI.
