Tabulator Setup

Appendix 9 & 10 Moderator’s Handbook

• In the presence of both Assistant ROV’s, Moderator set ups the tabulator
• □ Using the plastic cap key, unlock and open the retainer door (front panel access door) where the Optical Scan is to be placed on the ballot box.
• □ Remove the security plate from the back of the ballot box. Be sure to leave lock in open position.
• □ Slide the tabulator half-way onto the ballot box.
• □ Feed the power cord through the tube from the back of the ballot box.
• □ Insert one end of the cord into the tabulator and the other end into the Uninterruptible Power Supply (UPS) then plug the UPS into an extension cord or wall outlet.
• □ Make sure the UPS is “On” by pressing and holding the power button until the unit is on.
• □ Remove (with the bare key) the printer cover to the ACCU-VOTE.
• □ Turn the ACCU-VOTE on with the red switch located in the rear of the tabulator.
Tabulator Setup (cont.)

- □ The tabulator will automatically print a zero report. The Moderator and both Assistant Registrars will sign the bottom of this printout. Place this tape in the transfer case with the ballots at the end of the night. Check to ensure that the Town, State, Date and Voting District are correct.
- □ Inspect the zero report to ensure that all Offices, Candidate’s Names, Questions, Write-In Lines are correct.
- □ When the ACCU-VOTE asks for another printout, press the YES button on the front of the tabulator. Detach this printout and tape it to the wall at the polling place.
- □ When the ACCU-VOTE asks for another printout, press the YES button on the front of the tabulator. Sign this printout and leave it attached to the tabulator. Fold it so it will fit under the printer cover and lock it with the bare key.
- □ When the ACCU-VOTE asks for another printout, press the NO button on the front of the tabulator and lock the front panel access door. The tabulator should now display the voting district number and show a vote count of zero. If the tabulator does not display this information, contact the Registrars of Voters immediately.
- □ Carefully slide the tabulator back until it stops in place.
- □ Close and lock the front panel access door.
- □ Open the top slot of the Auxiliary compartment located on the upper left side of the ballot box and leave it open for the day.

The ACCU-VOTE is now ready to accept ballots. The tabulator tender should be stationed next to the tabulator and no one should have access until the polls open.

Set Up the Accessible Voting System

- New accessible voting – Inspire
  - Before polls open, make sure system has been set up in accordance with manufacturer’s instructions
  - When voter requests to vote with the accessible system, escort him to machine & enter password; give him headset & key pad the machine will ask him if he wants a touchscreen or audio ballot
  - Move far enough away so he can vote in private
  - When he is done the machine will prompt him to print his ballot
  - Offer a privacy sleeve, assist him taking the ballot from the printer and insert it into the tabulator
Opening the polls

• Immediately before 6 am the moderator should check the screen of the tabulator to be sure it is still showing zero votes.
• At 6 am the moderator should declare the polls open.
• The opening of the polls should **NOT** be delayed for any reason
• If the tabulator malfunctions at 6 am, or at any time during the day, ballots should continue to be issued, marked and deposited in the auxiliary bin
• When the tabulator has been repaired or replaced, or after the polls close, the moderator, in the presence of 2 election officials of different parties, should take the ballots out of the auxiliary bin and feed them into the replaced or repaired tabulator

Handling Problems at Polls

• ID
  – Elector’s name on official checklist – Active or Inactive
  – **NO Asterisk (*)**
    • a) Elector’s Social Security card, OR
    • b) Any **pre-printed form of identification** which shows elector’s
      – (i) name and address, OR
      – (ii) name and signature, OR
      – (iii) name and photograph, OR
    • c) **Sign a statement** under penalty of false statement on Form ED-681 entitled, “Signatures of Electors Who Did Not Present ID,” provided by SOTS that the elector whose name appears on the official checklist is the elector signing the form. (§9-261)
Handling Problems at Polls

• ID (cont.)
  – Elector’s name **WITH Asterisk (*)** - HAVA ID
    • a) A copy of a current and valid photo identification that shows the name and address of the elector; **OR**
    • b) A copy of a current utility bill, bank statement, government check, paycheck or government document that shows the name and address of the elector
  – Can **not** sign the ED-681 statement
  – If Federal office on the ballot can vote by provisional ballot

Handling Problems at Polls

• Challenges
  – Can be made by
    • Challengers (if appointed)
    • Any election official
    • Any person lawfully in the polling place
  – Reasons
    • Want of identity
    • Disenfranchisement by conviction of a felony
    • Lack of bona fide residence
  – Moderator decides and makes a memorandum of his reason for decision
  – If challenge approved, Moderator offers voter a challenge ballot
Handling Problems at Polls

• Challenge Ballot
  – Voter fills out a challenge ballot application
  – Moderator give voter a regular ballot
  – Voter marks ballot and puts it in a serially numbered envelope & seals it
  – Moderator put Challenge Ballots in depository envelope marked “Challenge Ballots”
  – “CB” is marked in front of voters name on registry list, not counted as checked as having voted
  – Challenge Ballot will only be counted if election is contested and court so orders

• Provisional Ballots
  – Available only in primary or election for federal office
  – When issued
    • Elector’s name not on official checklist, elector insists it is and refuses to go to EDR location
    • Elector’s name is on official checklist, but is successfully challenged
    • Elector’s name is on official checklist with asterisk *, indicating must present HAVA ID, but fails to do so
Handling Problems at Polls

• Provisional Ballots (cont.)
  – Provisional Ballot & serially numbered ED 250 envelope given to voter by moderator
  – Recorded on provisional ballot inventory with serial number
  – Marked ballot put in ED 250 & deposited in depository envelope marked “Provisional Ballots”
  – Voter given a receipt
  – Registrars have 5 days after election to resolve Provisional Ballots
  – Corrected Head Moderator return filed with SOTS if necessary

Handling Problems at Polls

• Restoration to Official List
  – From inactive list at same voting district
    • If voter’s name is not on the official list for that voting district, but is on the “inactive” list for that voting district, assistant ROV should restore elector to active list,
    • **No** proof of residency necessary
    • **No** need to contact Registrars’ office
    • Elector should complete and sign the “Voter Registration Application” ED-671
    • Elector’s name and address should be removed by assistant ROV from the inactive list and added to the supplemental list
    • Elector is checked as having voted, given a ballot and allowed to vote
Handling Problems at Polls

• Restoration/ Transfer to Official List
  – Not on the Inactive List for same voting district
    • Restoration: Assistant ROV’s must contact Registrars
      – If elector omitted from official list, can be restored to the
        active list at the polls on Election Day, if
          » Name appeared on active list in at least one of last 4
            years or on previous active list for current year, and
          » Has remained a bona fide of town since name last
            appeared on active list
          » Complete new voter registration application
          » With consent of both ROV or assistant ROV’s

• Transfer: If elector resided in another voting district in town,
  moved to this voting district, but did not transfer his
  registration, can be transferred at the polls on Election Day
    • Assistant ROV’s must contact either the polling place where
      the elector is registered or the Registrars’ Office to determine
      » Elector is on the official checklist in the other voting district,
        and
      » Has not voted in this election
      » Elector removed from official checklist in old voting district
      » Added to the supplemental list in new voting district
Handling Problems at Polls

• Restoration/ Transfer to Official List
  – Not on the Inactive List for same voting district
  • Transfer and Restoration
    – If elector is on inactive list in old voting district and remains a bona fide resident in the new voting district, can be restored to active list and transferred to the official checklist in new voting district

Handling Problems at Polls

• Referral to EDR Location
  – At a regular election (but not a special election, primary or referendum), a person who can not be restored or transferred at the polls, but who appears to possess the qualifications to be an elector (US citizen, 18 years old, bona fide resident of town) should be referred to the Election Day Registration Location, where he can both register and vote at today’s election
  – If federal office on ballot at regular election and a person expresses unwillingness to go to EDR location, give provisional ballot
**Ballot Box Full**

- Moderator in presence of 2 election officials of different parties, should open main bin
- Remove ballots
- Place in secure, sealed container
- Make note in diary

**Machine Malfunctions**

- Memory card problems
  - Error messages
    - “OK TO FORMAT THIS MEM CARD”
    - “MEMORY CARD BAD- PLEASE REMOVE”
    - “TEST BALLOT?”
  - Moderator should call Registrars immediately
  - First 2 messages - card is defective, third - card not set to election mode
  - Set up spare tabulator
Machine Malfunctions

• Error message: “INVALID BALLOT - SEE OFFICIAL RACE”
  – If happens on first vote cast either ballots, tabulator or memory card are in the wrong voting district
    • Contact Registrars
    • Set up spare tabulator or obtain correct ballots
  – If happens later in day, new package of ballots just opened is for wrong voting district
    • Contact Registrars to obtain sufficient correct ballots

Machine Malfunctions

• Ballot Jam
  – Tabulator tender should inform Moderator before any corrective action
  – Moderator should, without looking at markings on ballot, unlock access panel and slide tabulator back about 5 inches
    • If LED screen says “Counted ballot jammed in reader,” Moderator should remove ballot from tabulator and deposit it in through the slot where the tabulator would have & reassemble the tabulator
    • If LED screen says “Returned ballot jammed in reader,” Moderator should reassemble tabulator and have elector reinsert the ballot
  – Moderator should describe incident in diary, indicating whether a counted or rejected ballot had jammed
  – While tabulator out of service, voting should continue and ballots placed in the auxiliary bin
Disruptions

• Moderator has duty to maintain order in polls
• Moderator can order disorderly person removed from the polls or arrested by a police officer if necessary
• A previously disorderly person should be allowed to vote if he cools off and remains orderly

Closing the Polls

• At 8 pm the Moderator should declare the polls closed
• Any elector in line at 8 pm can vote
• Moderator should station an election official or police officer at the end of the line at 8 to insure no one else joins the line
• After the last elector has voted, the public may be admitted to the polls to witness the canvass, but should not be in the immediate vicinity of the tabulator
• The canvass of the vote must be conducted in full view of all election officials and members of the public in the polls.
• The canvass of the tabulator vote may not be stopped for any reason
• See: Appendix 13 & 14 of the Moderators’ Handbook for detailed closing procedures
Closing the Polls

• Any ballots in the auxiliary bin should be fed through the tabulator
• If a ballot is continually rejected and the Moderator and an official from the other party agree it is properly marked, except for an over vote, it can be fed into tabulator while holding down the “Yes” key (all races except over voted one counted by machine)
• All races on any mismarked ballot which the tabulator continual rejects must be counted by hand
• Record the number of ballots counted by the tabulator (shown in the LCD window) on the Moderator’s Return

Closing the polls

• Counting absentee ballots at the polls
  – Handling and counting of absentee ballots should be done in accordance with the Procedure Manual For Counting Absentee Ballots issued by SOTS
  – Moderator supervises
  – Absentee ballots can be counted through out the day
  – Counting should be done by 2 person teams from different parties (or factions in a primary)
  – Voter intent controls, if the two counters can’t agree, Moderator decides
  – EDR ballots will also be counted at the polls but will be tallied on separate tally sheets
  – All absentee ballots, absentee ballots envelopes, worksheets and Record of Vote are sealed in depository envelopes and labeled by voting district
Closing the Polls

• When all ballots have been processed by the tabulator, the printer cover should be removed and the “ender” card fed into the tabulator while hold down the “Yes” and “No” buttons
• 3 results reports should be printed and signed by the moderator and the assistant registrars
  – The first tape, which should be continuous with the initial “Zero” tape goes with the Moderator’s return
  – second tape is posted on the wall of the polling place for the public to examine
  – third tape is placed with the ballots
• Ballots should be removed from the write-in bin, only races with votes for registered write-in candidates should be hand counted

Closing the Polls

• Official Checkers count the number of electors who voted in person, and complete and sign the Checkers Certificate.
  – In a state election must include those voting by overseas and presidential ballots in number of names on official check list
  – Those voting by challenge ballot not included
  – If absentee ballots count at polls, must also count number marked as voting by absentee ballot
Closing the Polls

- Ballot Clerks count packages of remaining unopened ballots, spoiled ballots and abandoned ballots, securing all ballots and complete and sign the Ballot Log.
  - spoiled ballots and abandoned ballots are sealed in separate labeled depository envelopes
  - all ballots from write-in bin should be sealed in depository envelope labeled “write-in ballots”
  - Voted ballots should be put in ballot transfer case secured with a numbered seal & number recorded on Moderator’s return

Closing the Polls

- Assistant Registrar(s) must record, directly on the official checklist, the total number of names on the official checklist, the total number checked as having voted, and the number not checked.
- Assistant Registrar(s) and Moderator record the tabulator totals for each candidate and question on the tally sheets. Hand counted and write-in votes should be recorded in the appropriate columns on the tally sheets
- If absentee ballots are counted in the polls hand counted absentee ballots should also be recorded
- Total votes should be computed and doubled checked
Closing the Polls

• Announcing the results
  – Moderator should read all columns and the total for each candidate and question.
  – The public can follow the tabulator tape on the wall.
  – Public may examine the tally sheets

• Moderator and assistant registrars sign the moderator’s return

Temporary Interruption of the Canvass

• When canvass of the tabulator has been completed, the Moderator should prepare a preliminary list of vote totals produced by the tabulator for transmission to SOTS

• Once that preliminary list of votes has been transmitted to SOTS, the canvass may be temporarily interrupted
Temporary Interruption of the Canvass

- If the canvass is temporarily interrupted, the Moderator shall:
  - return keys for all tabulators to ROV’s
  - seal the tabulators against voting or tampering
  - prepare and seal individual envelopes for all
    - write-in ballots
    - absentee ballots
    - moderators’ returns, and
    - other notes, worksheets or written materials used at the election
    - store all such tabulators and envelopes in a secure place or places directed by the registrars of voters.
- Canvass shall be completed no later than 48 hrs. after polls closed

Reporting the Results

- The original Tally sheet, with the original tape attached, and all other parts of the original signed Moderator’s return should be transmitted by the Moderator to the Registrar of Voters (or Head Moderator in towns with more than one voting district)
- Not later than 48 hrs. after the close of the polls at a regular state election ROV’s shall provide results of the votes cast to town clerk
- Not later than 9 am of the third day following a regular state election the Head Moderator, ROV’s and town clerk meet to identify any error in the returns
- Not later than 1 pm of the third day following a regular state election, the Head Moderator shall correct any error and file an amended return with SOTS
Reporting the Results

• Filing with Secretary of the State (CGS 9-314(a))
  – State Elections
    • Head Moderator transmits to SOTS electronically by midnight of election day a preliminary list of votes for offices as shown solely by the tabulators, to the Secretary of the State (SOTS)
    • All votes, plus number of names on official check list and number checked as having voted to SOTS electronically by 48 hours after close of polls
    • Hard copy must be delivered to SOTS by 3rd day after election

Reporting the Results

• Filing with Secretary of the State (CGS 9-314(b))
  – Municipal Elections
    • Head Moderator transmits all votes for all offices to SOTS electronically by 48 hours after polls close
    • Hard copy to SOTS no later than 3rd day after election
Referenda

• Definition Sec. 9-1(n)
  – a question or proposal submitted to a vote of the electors or voters of a municipality at any regular or special state or municipal election
  – a question or proposal submitted to a vote of the electors or voters of a municipality at a meeting of such electors or voters, which meeting is not an election and is not a town meeting
  – a question or proposal which is submitted to a vote of the electors or voters, as the case may be, of a municipality at a meeting of such electors or voters pursuant to section 7-7 or pursuant to charter or special act

Referenda

• Some types of referenda
  – Amendment to state constitution
    • The only statewide referenda in Conn.
    • Proposed state constitutional amendment is submitted to electors at a statewide general election if
      – approved by both houses of General Assembly by majority vote in 2 consecutive sessions, or
      – approved by both houses of General Assembly by a vote of ¾ of the members at one session
    • If then approved by a majority of electors at a regular election, amendment becomes part of state constitution
Referenda

• Some types of referenda (continued)
  – All referenda must be binding; an advisory referendum is a misuse of public funds
  – Local referendum question (Sec. 9-369a)
    • Usually authority to put question on ballot come from charter, ordinance or statute
    • Final action to put the question on ballot must be taken by town 60 days before the election
    • Town clerk must file with SOTS by 45 days before the election a statement setting forth
      – the designation of the question as it is to appear on the ballot at the election,
      – the date upon which the submitting action was taken and
      – the reference to the law under which the action was taken.

Referenda

• Local referendum question (Sec. 9-369a)(cont)
  • From the time the action taken to put question on ballot until the election, the full text of the question and its designation must be available in the Town Clerk's office
  • Warning of the election must so state
  • Results Reported to SOTS
Referenda

• Some types of referenda (cont.)
  – Adjourned Town Meeting (§7-7)
    • Any item on the call of a town meeting may be put to vote at a referendum by
      – the selectmen not less than 5 days before the meeting
      – By a petition of 200 people or 10% of those entitled to vote at the meeting, whichever is less, filed with the Town Clerk at least 24 hrs. before the meeting
    • Referendum to be not less than 7 nor more 14 days after the meeting
    • Date of referendum set by town meeting, or if it does not, by the selectmen

Referenda

• Some types of referenda (cont)
  – Charter revision
    • A referendum is the last step in the process of approving a charter, charter amendment or a home rule ordinance amendment
    • When a charter revision commission submits a final report to its appointing authority (e.g., selectmen, town council) the appointing authority must approve or reject it within 15 days
    • Within 45 days, a petition for referendum signed by 10% of electors of the town may be filed
    • A referendum on the charter or amendments will be held either at a general election or a special election held for that purpose within 15 month after either approval of the final report or the filing of the petition
    • The charter or amendment must be approved by a majority vote at a regular election or a majority vote at a special election equal to 15% the electors in town
Referenda

• Eligibility to Vote
  – All electors of a town
  – In towns with a town meeting form of government, US citizens, 18 or older, who jointly or severally are liable for taxes on property valued at $1000 or more on the last complete grand list
    • Can vote on adjourned town meeting referenda
    • Note: these taxpayers can not vote in elections or primaries

Referenda

• Election in Conjunction with Referenda
  – If only electors can vote on a referendum question is printed on ballot and electors vote on it
  – If referendum is an adjourned town meeting different procedures are necessary
    • Since an adjourned town meeting vote must be held between 7 and 14 days after the meeting, there is not enough time to get it on the election ballot
    • A separate location from the room where the election votes are cast must be set up for the referendum votes to be cast
    • If taxpayers, in addition to electors can vote both registry lists and lists of eligible taxpayers must be prepared in connection with the town tax collector
EDR Procedures (§9-19j)

- Requirements for EDR Location
  - Can not be in a polling place, but can be in same building
  - Must have real time access to statewide CVRS system
  - Same activities prohibited near polls prohibited at EDR location; same 75 foot zone applies
  - Must contain an accessible voting system

  – If applicant not listed on CVRS, admit immediately
  – If listed on CVRS, must immediately contact ROV’s of previous town to have applicant removed from registry list
  – ROV’s of previous town must cross through name & mark “off”
EDR Procedures (§9-19j)

• Best Efforts to Communicate
  – Must make at least 2 calls to previous town within 5 to 10 minutes
  – Must keep track of all EDR ballots issued and all phone inquiries on Election Day Ballot Log
  – If ROV’s get definite information that applicant has not voted, applicant admitted immediately & proceeds to vote
  – If ROV’s get 2 busy signals or are unable to contact previous town in ten minutes, admit & permit to vote
  – If ROV’s contact previous town, who say they will try to reach previous polling place but can’t guarantee quick response, give applicant a ballot, hold it until get response or 8 pm, whichever is earlier

EDR Procedures (§9-19j)

• Voting procedure
  – The new elector fills out his ballot and puts it in the EDR envelope & signs the affirmation on the envelope
  – The affirmation states, in part, that
    • all statements in application are true
    • he has given ROV’s accurate information about prior registration and requests it be canceled
    • He has not and will not otherwise vote in this election
EDR Procedures (§9-19j)

• Counting
  – Custody, control & counting same as absentee ballots
  – Must have 2 election officials of different parties transport EDR ballots to counting locations at same times as absentee ballots
  – EDR officials must count number of EDR ballots and report total on head moderator return
  – EDR tally sheet should be sealed in depository envelope with counted ballots
  – If counted at central location separate tabulator can be used for EDR ballots

EDR Procedures (§9-19j)

• Confirmation
  – Must immediately send acceptance to EDR voter, with letter instruction to return to ROV’s if undeliverable
  – If letter returned, immediately send confirmation of voting residence
  – Need not wait for May 1 canvass deadline
  – If address cannot be verified, put elector on inactive list
EDR Procedures (§9-19j)

• Closing EDR Location
  – To cast an EDR ballot on election day, an applicant must have completed the EDR process by 8 pm, merely being in line to register is not enough
  – Everyone who has completed the EDR registration process by 8 pm can vote

Election Contests

• Lawsuits disputing the results of election or primary
• Grounds: usually miscount of the vote, error by election official, violations in casting absentee votes
• To succeed the suit usually must prove that the errors likely to have affected the results
• Suit usually must be filed within 14 days after the election and are decided quickly; sometimes filed before election or primary
• Suits usually filed in Superior Court, but if regarding election for Rep in Congress, US Senator, or Presidential Electors heard by 3 Justices of State Supreme Court
• No suits regarding election for state rep or state senator because each house has final say on its members
• Remedies can include: change election calendar, change vote totals, new election or primary

What Can Go Wrong and How to Prevent Violations

• Preventing violations
  – Have an emergency plan that your moderator and poll workers understand
  – Training!
  – Back up poll workers
  – Order enough ballots
  – Don’t wait until last minute to print your registry lists; have a back-up printer
  – Use your town attorney, particularly on charter and referenda issues
  – Documentation
    • Moderator should log all significant event
    • Keep log on election day of significant calls; same during the year
  – Complaints should be referred to SEEC not SOTS
